

International go camp in „Vadon”

We are pleased to announce that we will hold an international go camp in Szentendre from the 1st to 5th of July.

The camp is open to children and adults as well.

During the camp we will build the biggest open-air go board in Europe, play frisbee-go and make a small trip to the nearest hill where we will have a picnic. Also some go-related problems will be hidden among the trees there...

The place is located on the edge of a forest, nearby a small stream where we can sit on the grass to play and learn go. Besides there will be a possibility to play exciting team games and try out other board games too.
