### Individuals' and team tournament.

*Besides evaluating individuals teams are evaluated also.*

- Hungarian clubs and foreign nations can form teams consisting of four persons, if possible. If there is only one team, it may consist of three or even two players. If three persons remain after creating the four person teams, and they would like to take part in the team tournament from the same club / nation, they also can register as a team. If only one or two persons remain, one of the four-person teams must be reduced to three persons, and two three-person teams, or one three-person and one two-person team must be registered.
- The evaluation of the team tournament is based on the number of wins, all the wins of the team is divided by the number of members.
- Two players of the first team of each foreign nation will get free entry and the tourist class accommodation described below is guaranteed for them for free.

We ask the leaders of the clubs / nations groups to control the creating of teams!!!!
