**2nd level tournament of
Go European Cup 2011-12.
20 EC points will be spread**

Venue: Széchenyi István Általános Iskola (Elementary School)
Budakeszi, Knáb János u. 60.

System: 5 rounds MacMahon

Rules: Japanese

Komi: 6.5 points

Time limit: 75 minutes

Byo-yomi: 3×30 seconds (15 moves / 5 minutes)

Placement: MM, SOS, SOSOS

Individual and team tournament:
Besides evaluating individuals teams are also evaluated.

- Hungarian clubs and foreign nations can form teams consisting of four persons, if possible. If there is only one team, it may consist of three or even two players. If three persons remain after creating the four person teams, and they would like to take part in the team tournament from the same club / nation, they can also register as a team. If only one or two persons remain, one of the four-person teams must be reduced to three persons, and two three-person teams, or one three-person and one two-person team must be registered.
- The teams must be registered before the start of the first round.
- The evaluation of the team tournament is based on the number of wins, all the wins of the team is divided by the number of members.
- We ask the leaders of the clubs / nations groups to control the creating of teams!!!!
